

## Tensile Testing Report

**Report Number:** OSC-060

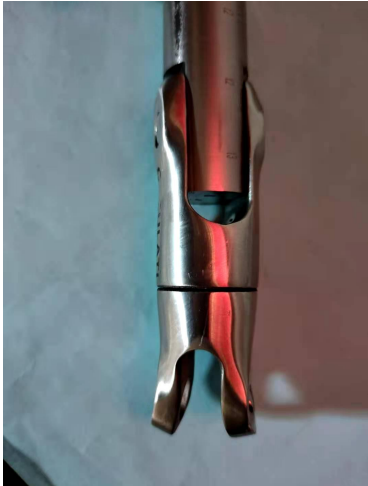

**Testing requirement:** Tensile testing; Test the maximum breaking load

**Material:** Marine Stainless steel AISI 316

**Testing Company :** Osculati srl

<b>Product name:</b>	<b>01.740.08</b>	<b>Testing equipment :</b>	<b>Tensile testing machine</b>
<b>Testing date:</b>	<b>02.08.21</b>	<b>Equipment load capacity:</b>	<b>300KN</b>
