HOW TO PRINT THIS PATTERN

Please follow these instructions to print. You will need A4 or letter size paper:

- ▶ From the Adobe Acrobat main window, go to **File > Print...**
- ▶ Select the printer you want to use, then click on **Properties**. In the new dialog window, check the paper format (A4 or US letter) is correct. Close the properties dialog when finished.
- ▶ In the Acrobat Print window, adjust the following settings:
 - Very important: Under **Page Sizing**, select **Size**, and then **“Actual size”**,
 - or set **Page scaling** to **“None”** or **“100%”** (old Acrobat versions).
- ▶ Select **“Auto”** under **Orientation**.
- ▶ Ensure you have enough sheets of paper available.
- ▶ Click on **Print**. Your printer will output a series of sheets which you can reassemble. Each sheet is numbered by (row, column) in its upper left corner. Line up the edge-marks to form a 1:1 pattern of the anchor side profile.
